

I am a regular listener of the K-LOVE radio station which broadcasts on 94.3 FM in the Elgin/Chicago area. I enjoy the quality music they play and appreciate the fact that the music is something the whole family can listen to without having to worry about profane, lewd and offensive lyrics. I believe a radio station like this is what each community needs. K-LOVE has a positive effect on the community and if we were to lose this station to an LPFM, the whole community would suffer as a result. We need a station with family-friendly programming like K-LOVE to stay on the air so that it can continue to serve the local communities in a positive and encouraging way.
